## PROFILE:

Enthusiastic and motivated graduate in front-end development with a strong passion for web development seeking an entry-level part-time position to begin a career in the tech industry. Experienced in HTML, CSS, and JavaScript, with a strong attention to detail, adaptability, and multitasking abilities. Excited to contribute my skills and passion to a dynamic team as an entry-level Front-End Developer. Committed to continuous learning, personal growth, and achieving team or company goals.

## ACADEMIC BACKGROUND:

**2023 - 04 - 2023 - 09**

### CERTIFICATE OF ACHIEVEMENT: RESPONSIVE WEB DEVELOPMENT

SheCodes Responsive , London

- During the SheCodes Responsive course, I built and designed my portfolio website. This experience taught me how to create a responsive and SEO-friendly site that reflects my personality, experience, and professionalism. While working on the final project, I learned things like advanced Bootstrap, Flexbox, Media Queries, Multiple Page Hosting, and optimising a website for SEO.

**2022 - 12 - 2023 - 02**

### CERTIFICATE OF ACHIEVEMENT: WEB DEVELOPMENT

SheCodes Plus , London

- For the SheCodes Plus 8-week course created Vanilla JavaScript Weather app. The main design idea was focused on the animals I am most passionate about: cats. While working on this project, in addition to my existing knowledge, I became more skilled in advanced HTML, CSS, JavaScript, Bootstrap, integrating the live APIs, real-life development workflow, and hosting.

**2022 - 06 - 2022 - 06**

### CERTIFICATE OF ACHIEVEMENT: INTRODUCING TO CODING

SheCodes Basic , London

- For the SheCodes Basic workshop created the first project - Vika Tova App. It was focused on learning the basics of HTML, CSS, JavaScipt and how to implement that knowledge in Visual Studio Code.

**2018 - 09 - 2019 - 09**

### MA MUSIC INDUSTRY MANAGEMENT AND ARTIST DEVELOPMENT

University of West London , London

- Developed adaptability, multitasking skills with a strong attention to details through university projects in label management, events management, marketing, promotion and Artist and Repertoire modules.

## WORK HISTORY:

**2023 - 07 - 2023 - 08**

**PRIVATE FRONT-END-DEVELOPER / UI/UX DESIGN**

syune Tatevosyan, London

- I designed and coded this project for musician Syune Tatevosyan while studying the SheCodes Responsive course. The main goal was to create a responsive and SEO-friendly website which represents her personality and professionalism. Through building the project, I utilised HTML, CSS, GitHub, VSCode, Bootstrap, Flexbox, Media Queries, and Multiple Page Hosting, ensuring the website's SEO-friendliness. Design-wise, I worked with InVision, Figma, and Photoshop.

**2021 - 01 - current**

**SALES MANAGER**

Needle Point Education, London

- Maintained and developed relationships with existing customers in person, through telephone calls, and via emails.
- Negotiated the terms of agreements.
- Conducted market research and gathered valuable customer information to make better business decisions and improve customer satisfaction.
- Managed communication and collaboration between clients and educational institutions.
- Arranged student accommodation, flights, and airport transfers.

**2019 - 11 - 2019 - 12**

**VOLUNTARY WORKER**

274 Theatre, London

- Actively engaged in telephone communication with targeted Russian, Polish, and Lithuanian speaking schools and communities to promote the interactive sand show "The Nutcracker."
- Corresponded via email with customers throughout the promotion and sales phases.
